

Adding Listings to Carts

Begin by searching for listings using **Search MLS Listings**, or browse recent activity through the **Hotshhets** under the Listings menu.

Adding a Listing to Your Cart

You can add listings to your Cart in two ways:

- From an individual listing page, click **Add To** and select **Add to Current Cart** or **Add to Saved Cart**.
- From the search results page, select the checkbox or cart icon next to a listing to add it directly to your default Cart.

All selected listings will appear in your **Current Cart**, accessible from the left-side menu.

Saving or Organizing Your Cart

To save listings to a named cart, open your **Current Cart** and select **Save to Cart**. You can assign the listings to an existing saved cart or create a new one.

- Saved Carts are useful for organizing listings for specific clients, CMAs, or follow-ups.
- From your Cart, you can also email or print the entire collection, or select individual listings to share.

The screenshot displays the MyStateMLS interface. At the top, there's a navigation bar with 'WALL', 'TOOLS', 'LISTINGS', 'SEARCH', 'CRM', and a user profile for 'JANE BROKER'. Below this is a breadcrumb trail: 'Default Bucket > 1762 Service Road > 1602 Shaker Circle > 801 S Olive Avenue 601 > CMA West Palm Test > CMA Test CMA 1 > CMA Test CMA > 701 S Olive Avenue 1010'. A search bar contains 'Address/City/State/Zip'. A sidebar on the left shows a vertical menu with icons for home, search, and cart. The main content area shows search results with three listings: one for \$5,950,000, one for \$2,950,000, and one for \$2,900,000. Each listing has a 'Cart' icon. A 'Current Cart (2)' overlay is visible, showing a list of items with 'View' and 'Remove' buttons. The listing detail page for '701 S Olive Avenue, #311, West Palm Beach' is shown, featuring a large photo of the interior, a '35 Photos' gallery, and a 'Related Listings' section. A dropdown menu for 'Add to...' is open, showing options: 'Add to Current Cart', 'Add to Saved Cart', 'Add to CMA', and 'Track This Listing'. The right side of the listing page contains a table of property details.
