

Understanding ProSearch

The screenshot shows the MyStateMLS professional dashboard. On the left is a dark navigation menu with items like 'Cart (2)', 'My Listings', 'New Listing', 'Pro Search', 'Search MLS', 'Contacts', 'My Account', 'Listing Forms', 'Market', 'Digital', 'Become Affiliated', 'Get On', and 'CE Shop'. The main content area has a top navigation bar with 'WALL', 'TOOLS', 'LISTINGS', 'SEARCH', 'CRM', and a user profile 'JB JANE BROKER'. Below this is a breadcrumb trail: 'st Palm Test > CMA Test CMA 1 > CMA Test CMA > 701 S Olive Avenue 1010 > 701 S Olive Avenue 601'. A search dropdown menu is open, listing options: 'EXTENDED LISTING SEARCH', 'SEARCH MLS LISTINGS', 'RETURN TO SEARCH RESULTS', 'VIEW OPEN HOUSE BLAST', 'VIEW OPEN HOUSE BLAST', 'SEARCH COMMUNITIES', 'SEARCH MEMBERS', and 'SEARCH TAX RECORDS'. A 'Customize' button is also visible. Below the search menu are sections for 'Notifications', 'My Listings' (with 'View All' and a plus icon), and 'My CMAs' (with 'View All' and a plus icon). The 'My Listings' section shows 'Active Listings: 0 Listings', 'Pending Listings: 0 Listings', and 'Sold Listings: 0 Listings'. The 'My CMAs' section shows 'Feb 24 West Palm Test (8)', 'Feb 20 Test CMA 1 (2)', and 'Feb 20 Test CMA (4)'. A red banner at the top of the main content area reads: 'Be aware of phishing emails. If you receive one, DO NOT CLICK OR REPLY! Check the or log in directly through our website'. Below this is a notification: 'We're Letting Your Brokerage Decide How to Handle Commission Fields! Click Here to Learn More.' and another: 'Get the most out of your Membership: Click Here to Sign-Up to our FREE group training every...'. At the bottom of the screenshot is a preview of the Realtor.com Professional Search interface, showing a search bar with 'West Palm Beach, FL' and a 'Q Search' button. Below the search bar are 'SEARCH EXAMPLES' with various search criteria and results.

Realtor.com® Professional Search is a powerful data tool available to MLS members, providing access to comprehensive Realtor.com® property data through an advanced and intuitive search engine. It gives real estate professionals expanded visibility into national, regional, and local property data beyond standard MLS results.

Accessing Professional Search

You can access **Realtor.com® Professional Search** directly from MyStateMLS in two ways:

- Select **Pro Search** from the left-side navigation menu
- Open the **Search** dropdown menu at the top of the screen and choose **Extended Listing Search**

When accessing Professional Search for the first time, you may be prompted to enter your email address to activate your access.

Professional Search is provided at no additional cost to MyStateMLS members and is included as part of your membership.
