### AUTHORIZATION FOR CONCEALED FIREARM CARRY IN ILLINOIS

Under the Illinois Firearm Concealed Carry Act, the owner of a residential property has the authority to decide whether individuals are permitted to carry a concealed firearm onto their property. This Illinois Concealed Carry Firearm Consent document is intended to notify your Brokerage Company, hereafter referred to as the "Sponsoring Broker," of your decision regarding the allowance or prohibition of concealed firearms on your residential premises. Please place your initials next to the single statement below that most accurately reflects your instructions on this matter.

\_\_\_1. I permit individuals to carry concealed firearms on my residential premises.

\_\_2. I do not allow individuals to carry concealed firearms on my residential premises.

If you choose to forbid the carrying of concealed firearms on your residential premises, the Sponsoring Broker will display approved signage at your property's entrance during all showings and open houses and will ensure that the Sponsoring Broker's staff and licensed agents comply with your instruction. The Sponsoring Broker accepts no responsibilities beyond those specifically stated in this document and denies any liability for personal injury or property damage caused by any visitor or invitee who enters your property.
