

Purchaser Acknowledgment – Property in a Sanitary Improvement District

(This document must be presented to and signed by any buyer before entering into a binding purchase agreement for property located within a sanitary improvement district in the State of Nebraska. The information in this form may also be included in the purchase agreement.)

"I/We, the undersigned purchaser(s), confirm that we understand the property located at (address or legal description) _____

It is situated within a sanitary and improvement district. We further acknowledge that sanitary and improvement districts are outside the official city or town limits; residents of such districts cannot vote in municipal elections; and property owners within these districts may have limited access to municipal services unless and until the property is annexed by the municipality."
